### **RULES:**

- **USSSA rules will apply. If you do not have a hard copy of the USSSA rule book, please ask one of our staff to assist you and provide you one. There is a digital copy on the USSSA website**
- Teams can bat their roster in pool play or bracket play. It is the coach's responsibility to submit a lineup card to the home plate umpire prior to each game. Lineup cards **MUST** have first name, last name, uniform number, and position.
- If a team chooses to bat their roster and a player is injured, they will be required to take an out every time the injured player's spot comes up in the batting order.
- Courtesy Runners can be used at every at bat for the Pitcher and Catcher.
- Courtesy Runners are not tied to a player (pitcher or catcher)
- Courtesy Runners must be a substitute first. If the team doesn't have a substitute, then the runner will be the last completed at bat.
- To determine the last completed at bat, go up the line up until you find a player who is not a pitcher, not a catcher, not on base and has not already been used in the half inning for the opposite position you are courtesy running for.
  - For example: If your pitcher gets on base and she is batting 7th then ask yourself where is number 6? If number 6 is on base, then where is number 5? Number 5 is the catcher. Where is number 4? Number 4 is in the dugout. Number 4 in the batting order is your courtesy runner.
- The same Courtesy Runner cannot be used for both the pitcher and the catcher in the same half inning.
- If an incorrect courtesy runner is discovered on base, the runner will be out and the Head coach will be issued a warning.
- Teams must use the official USSSA softball. Play It Forward Sportz will supply all softballs for your event.
- Teams must have the USSSA "thumbprint" on all bats. The Blue Ghost bat is illegal. **If the batter enters the batter's box with the Blue Ghost or any other illegal bat, the player will be ejected from the game. In addition, the Head coach will be ejected for the remainder of that game and the next game.**
- Protest fee is \$100 and is refundable only if the protest is upheld by the Tournament Director.
- Please reference our **ZERO TOLERANCE POLICY** in the Event Info Tab on the tournament website and share with your fans. Be advised, the umpires are in charge of controlling the game, coaches are in charge of controlling themselves, their players and their fans. Coaches can receive a warning, a bench restriction and even an ejection if their fans are disrespectful, disruptive or display unsportsmanlike conduct.

## **ROSTERS:**

- Please understand that we do not require (OR ACCEPT) hard copy rosters,
- Your roster must be online!
- If at any time during the tournament a player on your team, is called into question, and the player is not on your online roster, your team will be ejected from the tournament.
- **Other teams can see if your roster is online and which players are online, this is intentional for the purpose of transparency for all teams. For this reason, there is no negotiating this policy. I will not make exceptions for any team. If your roster is not posted online, your team will be forced to forfeit.**
- When you are looking at a team's roster, make sure you are looking at their roster for the tournament you are playing in. When you look at a team roster online, you are more than likely looking at their permanent roster. In order to see guest players, you must click the drop-down menu at the top of the roster and select the tournament you are playing in to see their official roster for the event. Guest players will appear at the bottom of the roster.

## **GUEST PLAYERS:**

Please see the attached link for guest player info. All guest players must be entered no later than **4 hours prior to the start of the tournament (the first game of the event, NOT YOUR FIRST GAME).** I cannot fix, override, or adjust your roster or this process after that time, so please make sure the deadline is met. <https://www.playitforwardsportz.com/pickup-player-rules>.

Some things to keep in mind:

- Players can only be on one USSSA PERMANENT ROSTER
- There is no limit to the number of times a player can be used as a GUEST PLAYER.
- To add a player as a Guest Player, they must be on a USSSA roster.
- If you are using a Guest Player from a team who is playing in a USSSA tournament the same weekend you are using their player, they must deactivate the player from their roster in order for the other team to pick her up.

For Example: Sally is on Heat's permanent roster but is being used as a guest player for Fire. Heat is playing in a USSSA event in Springfield and Fire is playing in a USSSA event in O'Fallon. Heat must deactivate Sally for the weekend so Fire can add her as a guest player for the weekend.

- **In order to see your Guest Players, you must pull up your roster for the specific tournament you are adding the guest player. There is a drop-down menu at the top of your roster that allows you to select specific events.**

## **WEATHER:**

- In the event of a weather delay the Tournament Director will post updates as well as send text/email to all users subscribed to the Rainout Line. To register for the Rainout Line, go to <https://rainoutline.com/search/dnis/2702004767> and/or download the app on your smart phone to receive updates and alerts via text and/or email. **Ultimately it is the responsibility of the Head Coach to stay in contact with the Tournament Director during a delay.**

- Lightning delays will be 30 minutes from the last known/seen strike and updates will be provided via the Rainout line. Please exit the complex to your vehicles or find appropriate shelter under a pavilion. Players are not allowed to remain in dugouts or batting cages during a lightning delay.

## **TIES:**

If teams are tied going into bracket play teams will be seeded in the bracket or awarded placement by the following: (Once past a tie breaker do not return to previous tie breaker)

1. Winning Percentage – Descending
2. Tied Teams (vs. each other) Winning Pct - Descending (Not valid if all tied teams have not played each other)
3. Average Runs Allowed - Ascending
4. Average Run Differential with a **maximum of 8** - Descending
5. Ranking Points - Descending
6. Date Team Entered USSSA Database

Ties in bracket games will be decided by using the international tie breaker (after time limit or in the eighth inning). See “Game Times” above.

## **REFUNDS:**

REFUND POLICY: No refunds will be issued after the tournament deadline. Any team who drops after the tournament deadline or after the schedule is published (whichever comes first) will not receive a refund for their registration fee. The tournament deadline, when looking at the tournament website, is the same day as “last day to enter.”

There may be occasions when deadlines are moved up (if the event is full). This information will be communicated to the team representative via email. If a tournament is cancelled prior to the start date (not due to weather), by Play it Forward Sportz, a full refund will be issued.

There are events (7 in the Spring and Battle for the Bling) that, due to the size of the event, have much earlier deadlines established.

- o In the event of a weather cancelled game, games will be deemed complete based on the USSSA Rulebook (Rule 4, Sect 6, C, 1 & 2). Basically, games can be deemed official after 2 1/2 innings of play (with home team winning) or 45 minutes of elapsed game time.
- o Teams will receive a prorated refund based on the number of games played less than the game guarantee.
